ENVIRONMENTAL CONSERVATION COMMISSION MEETING MINUTES

July 23, 2024 7:00 PM

PRESENT: Domonic Balassone, Zach Collister, F. Brock Davey, Mark Gallo, Matthew Feldman

ABSENT: James Allen

MINUTES:

The Environmental Conservation Commission met to discuss the “disbanding” of the Commission. It was discussed that the Town Board decided, without public comment, revision to the Town Code nor a plan in place to protect and cover all the items under the current responsibility of the Environmental Conservation Commission.

The Commission discussed the main areas that it has been hard at work on for the Town and its residents that would disappear should the Town Board disband the Commission through proper channels.

B. Davey made a motion for the Commission to investigate further the Town Board’s plan to dismantle the Environmental Conservation Commission and our ability to legally operate and meet as defined by Chapter 19 of the existin and current Town of Lewiston Code. D. Ballasone seconded and the motion carried.

Commission discussed preparing items for next meeting to draft letter to Town Board and attorney to address this matter.

Next meeting scheduled for August 13, 7:00 PM.

Z. Collister made a motion to adjourn, M. Gallo seconded the motion and the motion carried.
